Re: Renewed Petition under 37 CFR 1.137 (b)

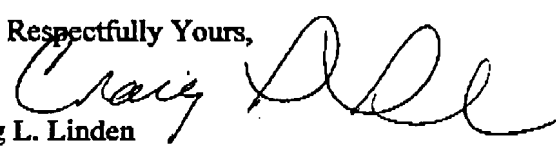

Dear Mr. Congo:

Thank you for your informative letter mailed February 9, 2007. I am sorry for this late reply but my father had a stroke in late January, and between work, family and helping with my dad – I really could not respond until now. Along with this letter I am paying, via the credit card form, the required \$225 for a two-month extension.

You were kind to explain my various options to complete what was missing from my October 29, 2006, Petition for Revival under 37 CFR 1.137 (b). I have chosen to Appeal the final Office action mailed January 26, 2005. Attached are the Notice of Appeal form and the fee payment of \$250, via the credit card form.

If I understand the rules correctly, I will need to file my Appeal brief within two months. If I have overlooked anything that is required at this time, please call me. My office number is (619) 390-6304 and my mobile phone is (619) 301-3555.

Very Respectfully Yours,

Craig L. Linden
Inventor and Applicant
